CAL-NEV-HA Division 36

~THE CLARION CALLER~

Message from the Lt. Governor

Happy Spring, Kiwanians.

We are entering a very busy period of service.

Please remember our Past Lt. Governor **Max Tidler** and his wife **Pauline**, also a Division 36 Past Lt. Governor, in your thoughts and, if applicable, your prayers. Max is going experiencing some serious health issues and they could both use some Kiwanis Spirit.

Additionally, I am on a search for Dolph Mason's engraved gavel, a former Kiwanis club president whose gavel "disappeared" at a Kiwanis function. If anyone "discovers" it, I am offering a **\$25.00 reward**—no questions asked. Please search your homes, car trunks, and garages.

Please keep those sign-ups and pledge sheets coming in for the Bowl-A-Thon to benefit Special Olympics. There are several records to be broken and honors to be achieved.

Also remember that April is an appropriate month to hold your Kiwanis One Day major service project and involve as many segments of the Kiwanis Family as possible. Please send any and all club announcements

to our division secretary or Webmaster so these can be shared throughout all of Division 36. As Kiwanis service hours occur during any Kiwanis project so please share these opportunities with all division members.

I would again like to thank our Cal-Nev-Ha Governor **Joni** and First Dude **Gregg** for attending the DCM last month. It was a rousing success and all who attended reported having a great time.

Lt. Governor Nena

When we plant **Seeds of Service** in our communities, guess what comes up in Division 36?

A SERVICE PROJECT AT CLUB MEETING

The **Redlands Morning Club** recently enjoyed a service project in lieu of a club meeting where they bagged 200lbs of pinto beans and white rice in quart-size bags. One bag of each will feed a family of four. The bags of food will be donated to the food pantry at Lugonia Elementary School and Family Service Association.

A hands-on club, their service projects involve many of their members and their guests.

And it doesn't stop there: At home, member **Donna McNeil** has been creating baby blankets for preemies born at Loma Linda Children's Hospital. So far, she has created 50 warm and cozy blankets for these beautiful, tiny premature infants.

NEW AKTION CLUB BEING CHARTERED

Due to the fine work and leadership by **CJ Cook** with the special needs adult community, the **Kiwanis Club of San Bernardino** is in the process of chartering an Aktion Club. Cook is the Community Engagement Program Manager at the Inland Regional Center where he oversees consumer events, outreach efforts, public relations, brand management, and more.

Cook knows about the gifts and talents with which these young adults individuals are blessed, and they are anxious to start

providing community service.

If your club does not sponsor an Aktion Club in your community, you are encouraged to do so. Or, your club can support the First Dude Greg's project, which is named "A *Call to Aktion*", by purchasing a banner patch.

YOUR HELP IS WANTED AND NEEDED!

This Division Newsletter is prepared and published each month and is intended to share information about the clubs in Division 26 and other Kiwanis news.

Sadly, new member information and other articles and pictures of club service or fundraising activities have not been forthcoming. Oftentimes, I have to resort to look for information on Facebook to find out what our clubs are doing.

Your help is wanted and needed to make *The Clarion Caller* an informative and useful publication.

As noted at the bottom of this page each month: *“Email your pictures and articles to the Editor for publication by the Monday prior to the next DCM.”*

Club presidents, why not assign someone in your club to be responsible for timely sending me news about your club?

Consider this request as another **“Call to Action.”**
