## CAL-NEV-HA Division 36

### ~THE CLARION CALLER~

## Message from the Lt. Governor

Dear Division 36 Kiwanians,

I want to thank you for making this year as Lieutenant Governor one of my best years as a Kiwanian. I have had the opportunity to work more closely with many veteran Kiwanians that I have known but with whom I had not really ever partnered. Many of you stepped up to help with division projects and allowed me to be part of those teams. I look forward to building on these expanded relationships.

I am asking each of you to lend a helping hand to the incoming LTG Mike Arteaga. He and I have plans to continue improving the Kiwanis experience in Division 36 and will need your input.

There are many opportunities to build our Sponsored Leadership Programs and build a new club in our division. Every new Kiwanian equals 200 more children receiving support.

Although we have lost some crucial Kiwanians this year, I have been amazed by some of the new members that have joined this year. Thank you for your efforts to share the Kiwanis

Message with our communities of Division 36. Hoping to work with all of you in the future.

*Lt. Governor Nena*

## Welcome, Michael Arteaga

**Michael Arteaga** was born in Harbor City but has called Colton and the Inland Empire home since he was one year old. He currently works as an Alumni Engagement Specialist at California State University, San Bernardino (CSUSB) and is devoted to the campus and its surrounding community, as both significant parts of who he is today. He is a two-time graduate from CSUSB, earning a BA in Business Administration and an MA in Communications. He is highly involved in the community, serving on the board for Inland Empire Future Leaders (IEFL) and Kiwanis Club of Greater San Bernardino. He also serves as the student organization advisor for the Latino Business Student Association and the IEFL Student Club at CSUSB. Additionally, he has been a mentor for the San Bernardino Valley College Puente Program for the past five years. In addition, he serves on the founding boards for the Latino Book and Family Festival and Hispanic Alumni Chapter. Mike has received notable awards such as the "30 under 30" Award by the State Assembly Member in 2011.

He joined Kiwanis in 2012 and hit the ground running. In his first year as a member, he filled a spot on the Board of Directors and the following year he was elected President-Elect. After his term as President, he returned to the board and was elected as the youngest Lieutenant Governor-Elect in the history of Division 36, making Greater San Bernardino the only club to have back-to-back LTGs from the same club. That year, he also received the Distinguished Service Award from Kiwanis of Greater San Bernardino and Nena Tórriz gifted him with the Dunlap Fellowship award.

He has been married to Angie for three years and was blessed with a baby boy in December 2017. He hopes to instill his willingness to serve the community in his son to help keep Kiwanis going for years to come.

# THE DIVISION AWARDS

We had a terrific response from clubs in making nominees for the annual Division awards. Following are the names of all nominees:

### FOR CARROLL MORTON

- Rebecca Hoggart, Greater San Bernardino
- Linda Nunn-Weals, Fontana
- Keven Roark, Redlands Evening
- Carrie Schmidt, San Bernardino

### FOR MAX TRAYER

- Janet Koehler-Brooks, Fontana
- Linda Smith, Redlands Morning
- Calvin White, Greater San Bernardino

### FOR BEN CISNEROS

At an August meeting, Past Lt. Governors met to select the winners of these awards. All nominees were scored based on PDO-approved criteria that was sent to all clubs. This method was utilized to eliminate biases, thus allowing for objective selections to be made based solely on the criteria met in the nominees' statements. Tonight the winners will be announced.

I wish to thank all of the clubs that participated in the nomination process and hope for even more nominees next year.

*Immediate Past LtG Carole Coley*

## MY FINAL ISSUE

It is with some sadness that I inform you that this issue of the Division newsletter will be my last. It's been my honor to keep you informed of the happenings around Division 36 over the last several years. I have been your newsletter editor since 2006 (skipping one year), bringing many honors to our Division.

Sometimes we have to give up things we love so that others can have the opportunities and experiences that we've enjoyed over the years. A new editor will be announced by our incoming Lt. Governor soon.

Also, the 2018-19 Division Member Directory will also be my last. So, LtG-Elect Don deBourguignon will be counting on you to step up and take it over.

So, with these notes, I bid you a fond farewell and hope to see you each month at DCM.

## REDLANDS EVENING

The Redlands Evening Club recently recognized club member **Gary Cross** by awarding him a Dunlap Award.

Gary joined Kiwanis and the Redlands Evening Club in 2004. During that time he became the Club's focal point for collection of donations in support of the Kiwanis project to promote Pediatric Trauma Prevention (PTP). Accordingly, in recognition of his efforts which have resulted in collection of at least \$10,000 for PTP, the Club presented Gary with the plaque shown in the picture. The pig in Gary's lap became known as the PTP Pig that Gary circulated at each meeting of the Club to collect donations for PTP.

Pictured with Gary are **Judy Miller**, President-elect of the Evening Club, and **Jim Crech**, to whom Gary passed responsibility for continued care and feeding of the PTP Pig.

Here's a great shot of Kiwanians from several clubs joining in to assist in a SLP event. Thanks, **Judy Crandell** (Cooley Ranch), for supplying the picture.
